Dear Sir:

The Examiner is requested to consider the references cataloged on the enclosed Form during examination of the above-identified patent application. These references are submitted pursuant to the Applicant's duty of disclosure under 37 C.F.R. 1.56.

The references identified in the IDS may or may not be "material" to the patentability of one or more of the pending claims in this application pursuant to 37 C.F.R. 1.56. The submission of this IDS by the Applicant shall not be construed as an admission that any such patent, publication, or other reference referred to herein is, or is considered to be, material to patentability (37 C.F.R. 197(h)), or even qualifies as "prior art" under 35 U.S.C. 102 and 35 U.S.C. 103 with respect to this invention, unless specifically designated by the Applicant as such. In addition, the filing of this IDS shall not be construed to mean that a search has been made or that no other material information exists.

This IDS is filed pursuant to 37 C.F.R. 1.97(b). This IDS has been filed within either (1) three months of the filing date of the national application, (2) three months of the date of entry in the national stage as set forth in 37 C.F.R. 1.491 for an international application, or (3) before the mailing date of a first office action on the merits. Accordingly, this IDS statement requires no fee and no certification.
